Mortgage Borrower Disclosure and Service Agreement (Acting as an Intermediary)

The Real Estate Council of Alberta has developed an Acting as an Intermediary Service Agreement to assist borrowers in understanding their relationship with mortgage brokerages and the mortgage broker's relationship with lenders, how the brokerage will be compensated, and to meet the requirements of section 43 of the *Real Estate Act* Rules.

For a variety of reasons, a mortgage professional may not always be able to obtain the lowest rate or best terms in the marketplace for a particular borrower. The terms of the purchase contract, type of property, property value, borrower's employment status, borrower's financial position and credit history are examples of some factors that may affect rates and terms. You are encouraged to discuss this document with your mortgage brokerage representative and ask any questions you may have regarding it.

The Real Estate Council of Alberta (RECA) is an independent, non-government agency, responsible for licensing and regulating mortgage brokers for Alberta. If you would like more information about the brokerage industry and role of mortgage brokers, please visit RECA's website at www.reca.ca
